"Show business is a hard business in which to be married," admits Scott.

SCOTT BAKULA

Waited for the perfect woman

It's not a quantum leap to say Scott Bakula is head over heels in love with his wife, Chelsea Field. "She is the gal!" he raves to *Closer*, adding, "She loves me a lot, which I appreciate!" Though Scott, 59, and 56-year-old Chelsea have been together for two decades now, they just got married five years ago. What was the big reason the actors decided to finally march down the aisle after so long? "Mainly because we finally had time, so we did it!" the actor laughs.
